Habitat for Humanity of Greater Cincinnati to receive Employee Charitable Support through the Ohio River Valley CFC – Combined Federal Campaign

06/17/2014 – Habitat for Humanity of Greater Cincinnati (HFHGC) has been invited by the Local Federal Coordinating Committee (LFCC) of the Ohio River Valley Combined Federal Campaign (CFC) to participate in the 2014 Combined Federal Campaign. As an accepted charity of the CFC, HFHGC will have an opportunity to receive donations from federal employees through payroll deductions. In addition to benefiting from their financial support, HFHGC will provide employees with volunteer opportunities and educate them on the work HFHGC does in the tri-state area through speaking engagements and charity fairs.

“The Combined Federal Campaign Charity means that the individuals who make HFHGC their charity of choice believe in the work we do enough to donate their hard-earned dollars in support of our mission” Ed Lee, Habitat for Humanity of Greater Cincinnati President and CEO said, “We are grateful that the Ohio River CFC have included us in their 2014/2015 campaign. If you are a federal employee, please look for us in this year’s Charity Guide (code **17994**) and encourage your co-workers to donate to our organization. Thank you in advance for your support – it is truly appreciated”.
